

UID's Statement Regarding Diversity and Engagement With Various Social Issues

UID is a Foundation for the community. We are open to work with all and serve all, abiding by the rules set by the authorities in the locations we work in. We believe in human rights for all and that everyone should be treated with dignity and respect. We do not discriminate against anyone, and we will welcome and work with anyone provided that we follow set rules and guidelines both by the legal authorities and those set by UID which are in line with our values and beliefs. We understand that individuals may have different opinions and are entitled to their opinions. We will respect everyone's opinion, even when we do not agree with them. As such, we will not be able to support all causes, but we will unite even in our diversity.
